

For Immediate Release:

Mobile Robot Co. Begins Trading as GCKO

ATLANTA, GA -- (MARKET WIRE) -- February 5, 2008 -- GeckoSystems Intl. Corp. (GCKO.PK- [News](#)) announced today that they have successfully completed their filings for listing on PinkSheets.com and have received their Symbol for public trading. GeckoSystems is a dynamic leader in the emerging Mobile Service Robot (MSR) industry revolutionizing their development and usage with *mobile robot solutions for safety, security, and service.*TM

“Our new trading symbol enables GeckoSystems to more effectively communicate salient facts regarding this emerging industry to the mainstream public. Many believe that the economic and societal benefit of mobile service robots, or 'second generation' robots, will change our lives for the good in family care, professional healthcare, and commercial/homeland security. GeckoSystems has a plethora of enabling software and hardware engineering advances and breakthroughs to announce in the coming weeks and months. We believe our unique, cost effective, proprietary basebot technologies will significantly add value and increase the return on investment for our shareholders, whether new or longtime,” stated R. Martin Spencer, President/CEO.

About GeckoSystems International Corporation:

In the ten years since founding, the Company has developed a suite of proprietary, fundamental technologies that enable their robots to automatically self-navigate the home or workplace using advanced sense and avoid technologies for reliable, unattended collision avoidance while patrolling, following and/or seeking preset destinations. These scientifically developed, tested, and proven hardware and software breakthroughs enable the practical, low cost manufacture, sale and usage of mobile service robots in a variety of environments.

Safe Harbor:

Statements regarding financial matters in this press release other than historical facts are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and as that term is defined in the Private Securities Litigation Reform Act of 1995. The Company intends that such statements about the Company's future expectations, including future revenues and earnings, technology efficacy and all other forward-looking statements be subject to the Safe Harbors created thereby. The Company is a development stage firm that continues to be dependent upon outside capital to sustain its existence. Since these statements (future operational results and sales) involve risks and uncertainties and are subject to change at any time, the Company's actual results may differ materially from expected results.
